

Publications

1. **R Talisman**, P Bemeir, A Newman, S Lusthaus, and MR Wexler. The fan principle in skin flaps. **Plast Reconstr Surg** 90: 340, 1992.
2. P Bemeir, A Newman, A Weinberg, S Lusthaus, **R Talisman**, A Eldad, and MR Wexler. Complete and partial denudation of the penis following circumcision. **Eur J Plast Surg** 15: 142-3, 1992.
3. S Lusthaus, P Bemeir, A Newman, A Weinberg, **R Talisman**, and MR Wexler. Nasal tampon packing in rhinoplasty: A simple and safe method of hemostasis. **Ann Plast Surg** 29: 469-70, 1992.
4. **R Talisman**, F Nissim, H Rothstein, and R Pfeffermann. Juvenile papillomatosis of the breast: Case Report. **Eur J Surg** 159: 317-19, 1993.
5. **R Talisman**, DC Hemmy, and AD Denny. Frontofacial osteotomies, advancement, and remodeling by distraction: An extended application of the technique. **J Craniofacial Surgery** 8: 308-17, 1997.
6. **R Talisman**, JT Lin, and HS Soroff and D Galanakis. Gangrene of the back, buttocks, fingers, and toes caused by transient cold agglutininemia induced by a cooling blanket in a patient with sepsis. **Surgery** 123: 592-5, 1998.
7. **R Talisman**, HS Soroff. Immediate debridment of burn eschar and semi-occlusive dressing coverage. **Ann Plast Surg** 1998, accepted.
8. R Simman, **R Talisman**, HS Soroff, and M Simon. Cultured palmar keratinocytes after engraftment to plantar surface maintain site and function specificity. **Plast Reconstr Surg** 104: 175-9, 1999.
9. AD Denny, **R Talisman**¹, SC Bonawitz: Secondary alveolar bone grafting using milled cranial bone graft: A retrospective study of a consecutive series of 100 patients. **Cleft Palate Cranio-Facial J** 36:144-53, 1999.
10. AD Denny, **R Talisman**², PR Hanson, RF Recinos. Mandibular distraction osteogenesis in very young patients to correct airway obstruction. **Plast Reconstr Surg** 108: 302-11, 2001.
11. **R Talisman**, N Belinson, D Modan-Moses, et al. The effect of reduction of the peripheral fat content by liposuction assisted lipectomy (SAL) on serum leptin levels in the postoperative period: A prospective study. **Aesth Plast Surg** 25: 262-5, 2001.
12. J Haik, **R Talisman**, J Tamir, J Frand, E Gazit, J Schibi, A Glicksman, A Orenstein. Breast augmentation with fresh frozen homologous fat graft. **Aesth Plast Surg** 25: 292-4, 2001.
13. **R Talisman**, B Kaplan, J Haik, S Aronov, A Shraga, A Orenstein. Measuring alterations in intra-abdominal pressure during abdominoplasty as a predictive value for possible postoperative complications. **Aesth Plast Surg**. 26:189-192, 2002.

14. **R Talisman** . Transconjunctival septal suture repair for lower lid blepharoplasty. **Plast Reconstr Surg** 122: 312-3, 2008.
15. **R Talisman**. Patient courage leads us to wonder: should we perform face-lifts on patients taking coumadin? **Aesth Plast Surg** 38: 442-3, 2014.

Original abstracts presented at international medical conferences

1. Y Madjar, **R Talisman**, B Goldwasser. Fertility of patients with testicular tumor. International meeting on testicular tumors, March 1991, San Remo, Itali.
2. Y Madjar, **R Talisman**, I Lybovitz, and B Goldwasser. The fertility of patients with testicular tumor. American Urologic Association. June 1991, Toronto, Canada.
